CHAPEL EXTENSIVELY RENOVATED

A year ago it was discovered that the fifty year old Chapel was suffering from water damage to the foundations and excessive humidity throughout the building. Investigation revealed that the density and proximity of the trees around the Chapel were the apparent cause of the damage and reluctantly all the pines were cut down. The Property Committee of the Board of Governors engaged a consultant to advise on repairs and renovations with the result that in the Fall of 1979 a \$50,000 program was recommended. An amount of only \$15,000 was available from the School's operating budget, so it was necessary to seek the balance of the funds from other sources. Happily, several generous benefactors agreed to subscribe most of the required

sum which was duly received and the work got underway immediately after Christmas. When the winter term opened, Chapel services were switched to the Ketchum Auditorium, where they remained until early in the Spring term.

Renovations consisted of replacement of heating pipes leading to the building, waterproofing foundations, new electric wiring, installation of a complete new floor, insulation beneath floor and in roof, painting of the entire interior, cleaning and overhaul of the organ, installation of centre aisle carpet, and repairs to main doors and entrance. All lighting fixtures and plaques were removed, cleaned and polished and re-installed. Extensive exterior landscaping was also undertaken.

Just as the finishing touches were being applied and a special service of thanks arranged in mid April, a two-day downpour of rain caused part of the ceiling in the organ loft to collapse. On further investigation, it was found that leakage was taking place at the base of the steeple. To effect repairs turned out to be another major expense amounting to some \$24,000 of which approximately two-thirds was covered by insurance. The School is, therefore, in need of a further \$8,000.

Any readers of the Andrean who would like to contribute to this project can do so by sending a cheque payable to the St. Andrew's College Foundation, designating it for Chapel renovation. A receipt will be sent for tax deduction purposes.

ANDY - PLEASE COME HOME!

Dear Andy,

Wherever you are, we miss you. Won't you please come home? You've been gone now about four or five years, we're not sure of the exact date.

Surely you have seen enough of the outside world and would like, as any bear would, to have your old corner in the S.A.C. Library. Your presence at football games is sadly missed, too, not to forget about all the other events at St. Andrew's you used to attend. And Andy, we've been winning most of our games since you left, so you can be proud of your old school.

A couple of decades of Andreans knew you so well and often ask about you. Now we have a whole new crop of Andreans who've never seen you. They know you only by hearsay. Some of them are skeptical, they say you only exist as a myth. Come on back and show them you're a real, well stuffed, five foot six inch polar bear. And, oh yes, we can tell you that there's honey on every table in the Great Hall, too. How about that?

If you will surprise us by returning some night, just take up a spot outside the Library door. No one will ask where you've been. Please?

Your friends at St. Andrew's.

OLD BOYS GATHERINGS

Several receptions for Old Boys and their wives were held earlier this year in Ottawa, Montreal and London, England, attended by the Headmaster and his wife.

Among those attending the reception for Old Boys and their wives on March 12 at the Royal Ottawa Golf Club were Dave Evans '67, David Urie '67, Scott Jolliffe '69, the Headmaster and Peter Wyse '64.

In Montreal, the Association is indebted to Ed and Heather Ballon for opening their gracious home in Westmount for the occasion, held on April 17th. Ed is a Governor of St. Andrew's. Mrs. Gaylen Duncan, Sandy and Colin Hart, Mr. & Mrs. Farrell Hyde (whose son, Murray, is at St. Andrew's), Mr. & Mrs. Fred Hurter, Peter Jull, Dr. & Mrs. Fyfe MacDonald, Mr. & Mrs. Tom McConnell, Mr. & Mrs. Joseph Paterson, John Pepper, Dr. & Mrs. Bruce Ramsey, Mr. & Mrs. Frank Rolph, Mr. & Mrs. Peter Trent, Alf Wirth, Mr. & Mrs. Ed Wood, and Mr. & Mrs. Jim Hamilton.

On July 7th in London, England, a reception was held at the home of Mr. & Mrs. Bill Buchanan in Portman Square. As it is many years since such an affair took place in England and quite a few addresses were out of date, Bill worked very hard tracking down Andreans to invite. Those that turned up to meet the Hockins included Dr. David Batten '61, Paul Blomfield '44, John Graham '74 and his fiancée, Capt. & Mrs. W.D. Ingram '44, Mr. & Mrs. Ed Nelles '65, Martin Opie '47, Colin Robertson '56, Mr. & Mrs. James Van den Bergh '49, Andrew Wood '60 and Brian Shenstone '52. Messages of good wishes were sent by Nigel Biggar '25 from the island of Jersey, Chris Wong '79 in Scotland, and Mark Ansell '76, who were unable to be present.

The Andreans will welcome the addresses of any other Old Boys residing in the U.K., if any of our readers would send the information to us.

1980 ASSOCIATION DINNER

RECORD ATTENDANCE AT ANNUAL DINNER

The combination of the Honourable John Crosbie '49, the Honourable Frank Moores '51, Alberta beef courtesy of Medicine Hat's Bill Yuill '56 and superb master minding by Dinner Chairman David Rea '53, proved to be the ingredients for establishing a new record turnout for the Association Annual Dinner on Friday, May 4th. 344 Old Boys, fathers and staff attended. President Jim Herder '64 acted as M.C. for the evening. Others at the Head Table included Rev. Dr. John Wilkie, former Chaplain of St. Andrew's and Peter D.G. Harris, Chairman of the Board of Governors.

Jack Bennet, Treasurer of the Association and retiring Bursar of the College, was presented with a suit of foul weather gear to help keep out the elements when pursuing his favourite pastime of sailing out of the R.C.Y.C.

Not the least exciting part of the evening's proceedings was the usual raffle draw with many attractive and valuable prizes organized by Mike Dunn '53. Hats off, too, to Sandy Munro '70 and his capable crew at the registration desk for very efficient processing of the large crowd.

"Shucks, Frank, you shouldn't have said all those nice things about me"

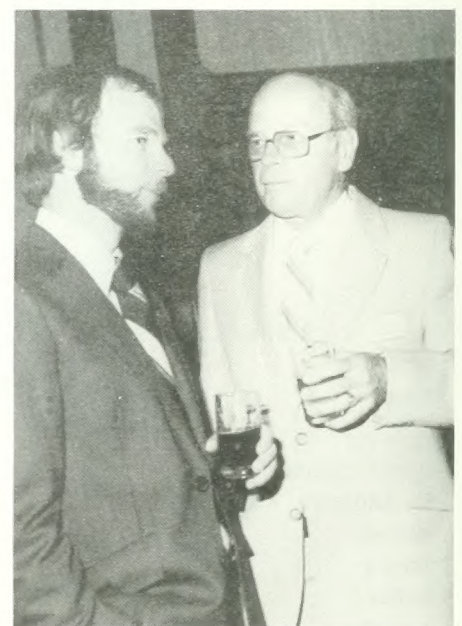

Crosbie tries on the cowboy hat presented by Bill Yuill '57. He seems to be well provided with antidotes for snake-bite.

"Then there is the story about the two Newfies"

Jack Bennet accepts from Jim Herder his retirement gift from the Association.

"How are things with you, son", says father Dr. Doug Gear '40 to Jim '69.

Dick Sutton and Frank Moore '51, discuss business prospects in Newfoundland.

"Ah-h-h-h, Harry, the kids today really are smarter", Dick Gibb may be emphasizing to Harry Yuill '55 from Medicine Hat, Alta. His son, John, is a present student.

George Tyner, father of present student John Tyner, receives congratulations from Jim Hamilton and David Rea, on winning the top raffle prize of a trip for two to Nassau, Bahamas.

Gordon Cassels '12 and Fred Lyon '23 may be chatting about cricket. Both were prominent cricketers in their days at St. Andrew's.

"Now, Chris, here we're caught by the camera not wearing our Old Boys' tie", Rob Hargreave and Chris Hawley, '78.

"They'd never get the puck past me now!" declaims Tom Forbes '32 to John Ellis '32 and Tim Chisholm '28.

John Crosbie in one of his rare serious moments of the evening listens to Ron Mackinnon '50.

Dinner Chairman Dave Rea '53 and Association President Jim Herder, look happy about the situation.

Dick Read '50, Bill Somers '51, Dick Sutton '51, Warren Ritchie '51, Len Franceschini '51, Ian Paisley '53, Basil Rodomor '51, recounting the 1950 foot-ball season.

Caught in reflective mood are Mac Yule and Jeff Hayes '70. Jeff came up from Houston, Texas for the event, marking the class of '70 tenth anniversary.

Fathers Bob Crawford and Bob Sedgewick ponder what they've gotten into.

John Crosbie gets a standing ovation from the record crowd.

FIRST TENNIS 1980 – ISAA CHAMPIONS

Back Row: Dr. Hockin, Bernie Ruhl, Mike Bedard, Mark Scott
Mr. David Timms (Coach)

Front Row: John Sedgewick, Scott Smith, Peter Bedard

Winning three of its final four matches in the ISAA finals brought First Tennis its second championship in the past four years.

FIRST RUGBY 1980 – ISAA CO-CHAMPIONS

Back Row: Mr. G.R. Smith (Coach), Kevin Mewhirter, John Smithyes, Mike Young, Pete Watler, Doug McClintock, Andy Frances, Malcolm Noble, Angus Elliott, Andy Heit, Chris Kerr, Mr. J. Clements (Coach)

Front Row: Stuart Pound, George Jackson, Rob Minialoff, Glyn Jones, Mike Rugeroni, Rich MacDonald, Scott Cole, Ross Morrow,
absent: Shawn Cymbalisty.

Congratulations to coaches Geoff Smith and John Clements for putting together a fine First Rugby team which lost only one game during the season. Wins in the ISAA were recorded over Ridley, Trinity and Upper Canada. The loss was to Appleby with whom St. Andrew's shared the championship.

OLD BOYS BASKETBALL

Sorting themselves out for the Old Boys basketball game in the new gymnasium on February 2, are Dave Rose '72, Roly Nimmo '76, Gregg Westcott '72, Doug Robertson '72, Bill Boyd '72, Don Rose '75, Geoff Scott '79 and John Kitchen '78. Others who played were Bill Cathers '79 and Jim Knowles '73.

Perennial organizer Doug Robertson and his hardy Old Boys groups upset the Firsts 50 to 43 to win for the first time ever to the best of the Andreans' knowledge. Quite a feat in view of the Firsts' ISAA championship season!

OLD BOYS HOCKEY

Organizer, manager and coach Brian Eysers '76, put together a powerful Old Boys hockey team to take on the School Firsts in their annual game which took place March 1 at Aurora Community Centre. With Dave Calverley '79 in goal, Rick Meagher '79, Gary Meagher '77, Ed Andrew '76, Al McClelland '76 and Howie Epworth '76 on defence, and forwards Rob Dobson '77, John Middup '77, Doug Richardson '77, Andy Beckwith '79, Peter Calverley '73, Bob Smallwood '74, Andy Dalton '78, Greg Baun '79, the Old Boys emerged victorious 6 - 2. Goal scorers for the Old Boys were McClelland, Dobson, Middup, Beckwith and Baun with two. Dave Tredgett and Andy Dickson each got a goal for the Firsts.

BEQUESTING THROUGH LIFE INSURANCE

The St. Andrew's College Foundation has introduced an interesting new option to Old Boys and others who wish to leave a bequest to the School.

By using all, or part, of a donation to the Foundation to buy a life insurance policy, St. Andrew's becomes the owner-beneficiary and pays the premiums.

HERE'S HOW IT WORKS —

An individual purchases a new life insurance policy naming the Foundation as owner and beneficiary. The donor makes contributions to the Foundation equal to the insurance premiums. He receives an annual receipt for income tax purposes for the full amount of his contribution and the Foundation uses the donation to pay the premium. At death, the face amount of the policy is paid directly to the Foundation.

or

An individual transfers the ownership of an existing life insurance policy to the Foundation and receives an immediate receipt for income tax purposes equal to the cash surrender value of the policy. At death, the Foundation receives the face amount of the policy.

SOME OF THE ADVANTAGES:

1. A larger gift can be made through small annual deposits for life insurance, than through an estate bequest or lifetime gift.
2. It gives the average Old Boy a chance to leave a substantial legacy to the College, rather than the Foundation having to depend solely on the generosity of the wealthier Old Boys.
3. The life insurance gift is independent of the donor's will and does not deplete his estate and deprive his heirs. For instance, an Old Boy may have the best intentions in mind when he leaves the school money in his will, but twenty years later when he dies, there may not be enough money available or if there is, the payment could deprive his family, and lead to ill feelings and possible contestations.
4. Psychologically it is much easier to "create" say \$50,000 at death, rather than "commit" your estate to \$50,000. Money that may or may not be available at death!
5. It gives an Old Boy an opportunity to fund a scholarship or trust for any appropriate interest he may have had during his lifetime.
6. It also gives corporations the opportunity to make large gifts in memory of their founders, directors and presidents etc., and pay the premiums with tax deductible corporation dollars. Here is where the college can expect the million dollar gifts.

PRIZE DAY 1980

The powers that be in the weather department certainly looked with favour on St. Andrew's this year, providing ideal conditions for almost every event. Typical was the warm and sunny day for Prize Day, June 13th.

In addition to the lengthy list of prizes for distinction in academic and other fields, a new award this year was the Errington Prize in memory of Mrs. Clela Ellis, to the graduating students who, while not prefects, added most significantly to the tone and morale of the School through their personal civility and strength of character.

The recipients of this award were —

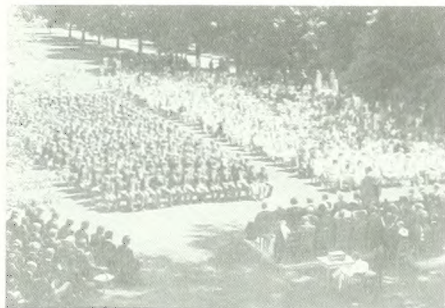

Scott Byberg, son of Mrs. Rita Byberg of Greenwood, Ont.

Scott Cole, son of Mr. & Mrs. Ronald J. Cole of Aurora, Ont.

Hugh O'Connell, son of His Honour Judge & Mrs. Hugh M. O'Connell of Willowdale, Ont.

This endowed prize was presented in memory of Mrs. Ellis by her sons, Old Boys Joseph, William and Philip Errington.

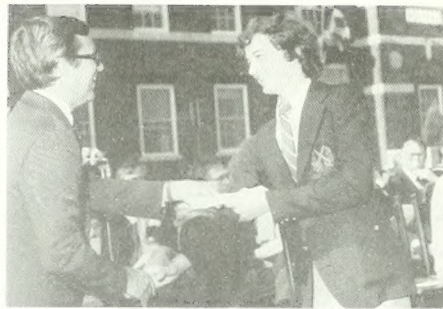

The Premier of Ontario, the Honourable William G. Davis, was a happy choice as guest speaker as his son, Ian, was one of the graduates.

Dr. Hockin, Headmaster, opens proceedings. With 400 students present and an overflow group of parents and friends, the audience must have been over 1,000. The graduating class is shown at the lower left.

Premier Davis presents a prize to John Stevenson, son of Mr. & Mrs. B.J. Stevenson of Brampton. John graduated as top student with 92.1% and received the Governor General's Medal, the Lieutenant Governor's Silver Medal and the Headmaster's Medal.

Peter J. Dalton, Chairman of the St. Andrew's College Foundation, presents James Lorimer with the Stuart B. Wood Prize to the member of Form V most distinguished in character, scholarship and games, which was a joint award to him and Kevin P. Mewhirter.

David Plaxton, Clan Captain, receives the Housser Trophy for Inter-clan competition won by Ramsey House this year. David is the third son of Mr. & Mrs. Donald G. Plaxton, Richmond Hill, to attend St. Andrew's.

The Headmaster, with Thane Russell, Head Prefect, congratulates Fred Omstead on his appointment as Head Prefect for the 1980-81 year.

Guests enjoy tea in the Headmaster's garden following the ceremonies.

John Sedgewick, son of Mr. & Mrs. Robert Sedgewick of Toronto, looks pleased to receive the Laidlaw Trophy from former Headmaster, Dr. Robert Coulter. This trophy was presented by the S.A.C. Old Boys Association in honour of the devoted service of Robertson Laidlaw, on the staff from 1909 to 1960. It is awarded to the boy in Upper VI who has won for his Clan the greatest number of points during his last two years at the School.

CADETS OUTSTANDING

S.A.C.'s Highland Cadet Corps was awarded the trophy as the best independent school corps in 1980 with a rating of 92.7%. With 355 cadets on parade at the annual inspection, it is one of the largest corps in Central Ontario Command, if not in all of Canada. No less than nineteen members of staff serve as instructors.

Enthusiasm for cadets obviously remains high at St. Andrew's demonstrating the excellent calibre of the program and the leadership of both masters and students.

JAKE'S CORNER

Philosopher, raconteur and friend of St. Andrew's, Jake Vanderploeg sends us a few more of his choice morsels —

Wouldn't it be nice to be as sure of anything as some people are of everything.

The cheapest food in the world today is food for thought because the supply exceeds the demand.

Resisting temptation is usually just a matter of putting it off until nobody's looking.

Some are bent with toil, and some get crooked trying to avoid it.

Regrettably, Jake has decided to retire as a Trustee of the S.A.C. Foundation, but perhaps we can persuade him to keep sending the Andean his one liners.

- X-STAFF INA RENNIE BENNET on March 12, 1980 at Aurora.

INA RENNIE BENNET

It is with a very deep sense of loss that the Andrean reports the death of Ina Rennie Bennet, wife of Jack Bennet. She had been in ill health for the last two or three years and in and out of hospital many times during that period. It had been thought her condition was stabilized, but she was taken to York County Hospital on the morning of March 12 last and died that evening.

Ina came to St. Andrew's in 1948 as secretary to the Headmaster, Dr. Kenneth C.B. Ketchum. Prior to that she had been secretary to O.S. Hollinrake, magistrate of York County, and during World War II she had a distinguished career in the Canadian Women's Army Corps in which she achieved the rank of Captain.

Ina and Jack were married in the School Chapel in 1954 and took up residence in the farm house. Later, when more staff houses were added to "the row", they occupied one of those. Ina continued as Ken Ketchum's secretary for a few years after their marriage, and then was content to look after her house and become renowned for having a 'green thumb' with her very successful garden.

One of her many thoughtful habits was to keep track of the birthdays of every member of staff. Every employee of St. Andrew's could count on receiving a birthday greeting from Ina Bennet and always on the exact day. The products of her baking skill were much enjoyed by office staff on many occasions.

Another of her valuable contributions to St. Andrew's was to act as representative of staff wives on the Ladies Guild executive, where she was elected an Honourary Member. Her knowledge and experience were a great asset to the incoming executive each year.

After thirty-two years of active participation as a member of the St. Andrew's community, Ina Bennet's name will be commemorated by colleagues and friends through the establishment of the Ina Bennet Memorial Garden, just outside the Great Hall at the School. Any Andrean readers who would like to participate in the project can do so by making a donation to the S.A.C. Foundation, designating it for that purpose.

CHRISTIE THOMAS CLARK

Many Old Boys will be saddened to learn that Christie Clark passed away on July 23 at Sunnybrook Medical Centre in Toronto at the age of 87. One of the students in the early years of St. Andrew's, he attended from 1902 to 1910.

Christie was the grandson of William M. Christie, founder of Christie's Bakery. His father, Thomas J. Clark, was one of the founders of Rolph Clark Stone Ltd. with which firm Christie served for more than 60 years. He was also a Director of General Bakeries Ltd., Crown Trust Co., Timed Investment Fund, Dominion Insurance Corp. and Union Acceptance Corp. Ltd.

He served as President of the Old Boys Association in 1929 and remained a staunch supporter of St. Andrew's throughout his life. Every time the School embarked upon a fund-raising campaign, Christie could be counted upon to devote much of his time and energy to it in addition to being a generous benefactor personally.

To Mrs. Clark, her two sons and two daughters, the Andrean extends sympathy on behalf of the Association and the School.
